

Kevin Augusto Vieira

Curitiba, PR, Brazil | Remote | +55 (41) 99694-1615 | kevin.aug.vieira@gmail.com | linkedin.com/in/kevin-augusto/

Product Marketing, Growth, and Go-to-Market specialist with 8+ years of experience connecting products, technical services, sales, and marketing. At Wipro on the Meta Project, translated global product updates into value propositions, pitches, playbooks, and training for 150+ professionals, while leading an initiative that increased AI adoption in CRM by 150%. In digital consulting, delivered 40+ projects for SMBs, creating positioning, websites, landing pages, campaigns, and A/B tests. At Munzner, built inbound and automation programs that generated around 100 qualified leads and approximately R\$50,000 in revenue. Combines research, ICP development, content, sales enablement, data, and AI to turn complex products into clear messaging and measurable demand.

Professional Experience

Wipro, Curitiba, Brazil September 2024 – July 2026

Product Marketing and Sales Enablement Specialist (Meta Project)

- Positioning and Messaging: Translated Meta's global portfolio updates into value propositions, pitches, playbooks, and sales frameworks for 150+ professionals.
- Sales Enablement and Adoption: Led native AI integration into the CRM, increasing usage from 4 to 10 prompts per consultant (+150%) and contributing to the operation becoming the fastest-growing globally for adoption.
- Insights and Performance: Used Power BI, Excel, root-cause analysis, call listening, and feedback to identify gaps and guide assets, training, and action plans.

AK Branding & Web Design, Curitiba, Brazil March 2019 – September 2024

Product Marketing and Digital Services Consultant

- Product and Technical Services Consulting: Delivered 40+ projects for SMBs, turning business objectives into positioning, websites, landing pages, and digital assets.
- Campaigns and Experimentation: Planned A/B tests across paid campaigns, landing pages, and web experiences; UX and chatbot flows increased lead capture from 8 to 20-30 leads/month (+250%).

Meu Barzin (Startup), Curitiba, PR December 2025 – March 2026

Product Manager and GTM Lead

- Research, ICP, and Value Proposition: Defined the audience, B2B subscription model, and partner messaging, validating hypotheses through interviews and outreach.
- Funnel Insights: Identified partner density and API latency as conversion barriers, including a 43.9% first-message dropout.

Munzner, Curitiba, PR October 2018 – August 2024

Marketing, Growth, and Automation Specialist

- Inbound and Content: Produced around 10 strategic articles that generated approximately 1,000 organic visits and 100 qualified leads, with close to 10% conversion.
- GTM and Automation: Launched the first digital product, securing 50 sales in 2 months, and built a 10-stage funnel that generated approximately R\$50,000 in revenue.
