Growth Product Manager with 8+ years of experience in digital products, CRO, discovery, and journey optimization. Planned and executed A/B tests across landing pages, messaging, ads, and web experiences, using behavior, conversion, revenue, and ROI to decide whether to launch, adjust, or scale hypotheses. At Meu Barzin, led discovery and funnel analysis for a conversational product, identifying a 43.9% first-message dropout and prioritizing partner-density and latency bottlenecks. At Wipro on the Meta Project, worked in a squad using roadmap, backlog, OKRs, and global stakeholder input, while leading CRM AI adoption with 150% growth. Combines product thinking, UX, analytics, AI, and cross-functional execution.
