Curitiba, Brazil | Remote | +55 (41) 99694-1615 | kevin.aug.vieira@gmail.com | linkedin.com/in/kevin-augusto/

GTM Engineer with 8+ years of experience bridging Go-To-Market strategy, data systems, and automation infrastructure. Proven expertise building scalable revenue pipelines, AI-driven workflows, API/webhook integrations, and deep-funnel telemetry across Product and Commercial teams. At Wipro (Meta Project), architected enablement systems and prompt automation libraries that scaled adoption by +150% (#1 globally) and reduced team ramp-up by 50%. Background in Engineering (UTFPR/UFPR 2.5 yrs) and Philosophy (UFPR), combining rigorous technical execution with high-level strategic problem solving.

Professional Experience

Wipro Brasil, Curitiba, Brazil September 2024 – July 2026

GTM & Revenue Enablement Engineer (Meta Project)

- **GTM Systems & Adoption (#1 Global):** Built the technical enablement bridge between Meta Product teams and commercial operations. Designed automated prompt libraries, workflow templates, and diagnostic tools that drove +150% tool adoption and ranked the operation #1 globally in growth.
- **Process Automation & Ramp-Up (-50%):** Engineered the technical onboarding architecture (Next Level Bootcamp), reducing time-to-productivity from 6 to 3 months (-50%) while maintaining 90%+ compliance in quality audits.
- **Telemetry & Revenue Analytics:** Developed Power BI data pipelines and telemetry dashboards tracking pipeline velocity, team adoption, and operational bottlenecks to inform GTM decision-making.

Meu Barzin (Startup), Curitiba, Brazil December 2025 – March 2026

GTM & Growth Engineer

- **0-to-1 GTM Architecture:** Engineered end-to-end inbound and partner acquisition pipelines using Supabase (SQL), webhooks, and automated messaging workflows (CRM/WhatsApp), capturing 500+ qualified leads.
- **Deep-Funnel Telemetry:** Implemented funnel tracking and identified critical API latency drop-offs (43.9% loss), driving rapid iterative fixes that recovered active engagement to 22.3%.

AK Branding & Web Design, Curitiba, PR March 2019 – September 2024

GTM Systems & Strategy Consultant

- **Revenue Infrastructure (40+ Projects):** Designed and deployed full-funnel acquisition systems, CRM automations, and tracking architectures for 40+ B2B and e-commerce clients.
- **Conversion Engineering (+250%):** Built conversion rate optimization experiments, landing pages, and lead enrichment workflows that increased monthly qualified pipeline from 8 to 20-30 leads (+250%).

Munzner, Curitiba, PR October 2018 – August 2024

GTM & Operations Specialist

- **Customer Journey Automation:** Engineered a 10-stage automated onboarding and retention lifecycle sequence, generating over R\$ 50,000 in revenue.
- **Digital Product GTM:** Led technical launch and distribution pipeline for the company's first LMS digital platform, securing 50 paying customers in the first 60 days.

Skills

- GTM Pipeline Architecture & Funnel Automation, API & Webhook Integrations (n8n, REST), CRM Architecture & Workflow Automation (Bitrix24, Meta CRMs), Lead Enrichment & Inbound/Outbound Systems, Deep-Funnel Telemetry & Conversion Rate Optimization (CRO)
- SQL & Database Management (Supabase/PostgreSQL), Power BI & Advanced Data Modeling (Excel, Dashboards), AI-First Prototyping & Prompt Engineering (Claude, ChatGPT), Vibe Coding & Scripting (Python, Full-Stack Prototyping), Agile Delivery & Google Project Management Certificate
- B2B SaaS & Tech Platform Go-To-Market, Engineering (UTFPR/UFPR 2.5 yrs) & B.A. Philosophy (UFPR), Fluent English (Daily International Business Communication), Data Privacy Compliance (LGPD/GDPR)

Certifications

Meta Certified Media Planning Professional	Active
Meta Certified Digital Marketing Associate	Active
Google Project Management Professional Certificate	In progress
Thinking Environment Facilitator	May 2020

Languages

- English - Fluent / Full Professional Proficiency (Daily international business communication)
- Portuguese - Native

Education

Universidade Federal do Paraná (UFPR)	2018 - 2023
Bachelor of Arts in Philosophy	
Recanto da Filosofia Clínica	January 2023 - December 2024
Postgraduate Specialization in Clinical Philosophy	
UFPR / UTFPR	2012 - 2015
Electrical & Electronics Engineering (2.5 years completed)
