Lifecycle Marketing, CRM, and Growth specialist with 8+ years of experience executing journeys, campaigns, and automations for B2B and B2C audiences. At Munzner, built a 10-stage automated flow in Sendpulse and Bitrix24 that attracted 10,000+ visits and generated approximately R\$50,000 in revenue. In consulting, worked with segmentation, outbound, landing pages, email, message testing, and conversion across 40+ projects. At Wipro on the Meta Project, owned CRM AI adoption, created playbooks and training, and operated under strict compliance and data-quality policies. Combines hands-on execution, ICP development, automation, pipeline analysis, and process documentation.

Professional Experience

Wipro, Curitiba, Brazil September 2024 – July 2026

CRM, Lifecycle, and Sales Enablement Specialist (Meta Project)

- CRM and Lifecycle: Worked within Meta's proprietary CRM, centralizing campaign history, investment, account security, and account health under strict compliance policies.
- Activation and Adoption: Owned CRM AI adoption, creating onboarding, playbooks, and coaching that increased usage from 4 to 10 prompts/day (+150%).
- Segmentation and Insights: Used Power BI, Excel, call listening, and root-cause analysis to identify gaps, segment needs, and guide action.
