Sales Enablement and GTM Specialist with 8+ years of experience in training, coaching, playbooks, sales productivity, and performance analysis. At Wipro on the Meta Project, led Sales Excellence and Sales Productivity, enabled 150+ professionals, and applied call listening, structured feedback, and root-cause analysis. Designed a bootcamp that reduced ramp-up from 6 to 3 months (-50%), with 100% completion, 90%+ quality, and 90% satisfaction. Combines stakeholder management, data intelligence, and facilitation to turn product updates and conversation patterns into measurable behavior change.
