Professional Experience

Wipro, Curitiba, Brazil September 2024 – July 2026

Revenue Enablement, GTM, and Marketing Operations Specialist (Meta Project)

- Led Sales Excellence and Sales Productivity, translating Meta portfolio updates into value propositions, pitches, frameworks, scripts, and support assets for 150+ professionals.
- Drove native AI activation in a proprietary CRM through onboarding and three weeks of side-by-side coaching; increased usage from 4 to 10 prompts/day (+150%) and made the operation #1 globally for adoption growth.
- Designed and governed a pilot bootcamp for 12 consultants with 100% completion, reducing ramp-up from 6 to 3 months while achieving 90%+ quality and 90% CSAT.
- Used call listening, structured feedback, root-cause analysis, Power BI, and Excel to identify knowledge gaps, revise approaches, and track corrective action plans.

Munzner, Curitiba, Brazil October 2018 – August 2024

Growth, CRM, and Content Specialist

- Built a 10-stage automated funnel in Bitrix24 and Sendpulse that attracted 10,000+ visits and generated approximately R\$50,000 in revenue.
- Created technical and educational content for the Thinking Environment methodology, generating approximately 1,000 organic visits and 100 qualified leads.
- Launched the company's first digital course on WordPress/LMS, securing 50 sales in the first 2 months at 1.0x-1.5x ROI.

AK Branding & Web Design, Curitiba, Brazil March 2019 – September 2024

Marketing Project and Digital Experience Consultant

- Delivered 40+ digital projects for SMBs, coordinating scope, budget, timelines, client communication, and specialized resources.
- Ran A/B tests across campaigns, landing pages, and digital journeys; chatbot and UX flows increased lead capture from 8 to 20-30 leads/month (+250%).

Meu Barzin (Startup), Curitiba, Brazil December 2025 – March 2026

AI, Growth, and Automation Product Manager

- Designed a conversational MVP using ManyChat, n8n, RAG, and Supabase, including zero-hallucination rules and cleansed data from nearly 200 establishments.
- Captured 505 leads and measured 22.3% highly engaged users, using funnel analysis to identify a 43.9% first-message dropout.
