Curitiba, PR, Brazil | Remote | +55 (41) 99694-1615 | kevin.aug.vieira@gmail.com | linkedin.com/in/kevin-augusto/

B2B Marketing, Product, and Go-to-Market specialist with 8+ years of experience translating technical solutions into positioning, campaigns, sales assets, and adoption programs. At Wipro on the Meta Project, led Sales Excellence and Sales Productivity pillars, connecting global product updates to value propositions, playbooks, and training for 150+ professionals. Led a program that reduced time-to-productivity by 50% and contributed to AI adoption initiatives that made the operation the fastest-growing globally. Across consulting and startup work, delivered 40+ projects, launched e-commerce and digital products from the ground up, and used revenue, ROI, funnel, and behavior data to iterate strategy. Combines professional English communication, analytical thinking, independent execution, and cross-functional collaboration to accelerate launches and growth.

Professional Experience

Wipro, Curitiba, Brazil

September 2024
– July 2026

Product Marketing and Sales Enablement Specialist (Meta Project)

- Product Positioning and Enablement: Led Sales Excellence and Sales Productivity pillars, translating Meta portfolio updates into value propositions, pitches, playbooks, and sales frameworks for 150+ professionals.
- Launches and Adoption: Led native AI integration into the CRM from onboarding, increasing daily usage from 4 to 10 prompts per consultant (+150%) and contributing to the operation becoming the fastest-growing globally for adoption.
- Training and Continuous Improvement: Designed and governed the Next Level Bootcamp for 12 consultants, achieving 100% completion and a 50% time-to-productivity reduction; used root-cause analysis, Power BI, and Excel to identify gaps and guide action plans.

AK Branding & Web Design, Curitiba, Brazil

March 2019 –
September 2024

Marketing and Product Consultant

- B2B Marketing and Delivery: Delivered 40+ projects for SMBs, managing positioning, digital assets, scope, budgets, and timelines with multiple stakeholders.
- Experimentation and Growth: Implemented UX and chatbot flows that increased lead capture from 8 to 20-30 contacts/month (+250%) and launched an e-commerce operation that generated R\$10,000 in revenue within its first 3 months.

Meu Barzin (Startup), Curitiba, PR

December 2025 –
March 2026

Product Manager and Go-to-Market Lead

- Product Strategy and Launch: Conceived a B2B subscription product, defined its business model, value proposition, and acquisition strategy with local partners.
- Research and Insights: Conducted interviews and funnel analysis, identifying partner density and API latency, responsible for a 43.9% first-message dropout, as key conversion barriers.

Munzner, Curitiba, PR

October 2018 –
August 2024

Marketing, Growth, and Automation Specialist

- Launch and Integrated Campaign: Designed and launched the company's first digital course, securing 50 sales in its first 2 months and achieving a 1.0x to 1.5x ROI.
- Content, Automation, and Metrics: Built a 10-stage automated funnel that generated around R\$50,000 in revenue and produced organic content that attracted roughly 1,000 visits and 100 qualified leads.
