Curitiba, PR, Brazil | Hybrid | +55 (41) 99694-1615 | kevin.aug.vieira@gmail.com | linkedin.com/in/kevin-augusto/

Senior Partnership Enablement and Go-To-Market Specialist with 8+ years of experience acting as the strategic interface between Product teams and commercial partner ecosystems. At Wipro (Meta Project), led the translation of complex product updates into value propositions, high-impact use cases, and actionable enablement playbooks for 150+ professionals, driving AI adoption up by +150% (#1 globally) and reducing team ramp-up time by 50%. Combines strong B2B partnership validation, CRM automation, and data intelligence with an analytical background in Engineering (UTFPR/UFPR 2.5 yrs) and B.A. in Philosophy (UFPR), with Fluent English and based in Curitiba, Brazil.

Professional Experience

Wipro, Curitiba, Brazil September 2024 – July 2026

Partnership Enablement and GTM Specialist (Meta Project)

- Product Enablement: Absorbed official materials and translated Meta product innovations and GTM updates into value propositions, pitches, and practical frameworks for 150+ professionals.
- Adoption and Training: Led onboarding and hands-on coaching for AI in Meta's proprietary CRM, increasing usage from 4 to 10 prompts/day per consultant (+150%) and achieving the operation's highest global adoption growth.
- Scalable Program: Designed and governed a bootcamp for 12 consultants with 100% completion, 90%+ quality, and a reduction in ramp-up from 6 to 3 months (-50%).
- Cross-Functional Bridge: Aligned global product lines, quality, and consulting teams through clear documentation, timelines, playbooks, and action plans.

Meu Barzin (Startup), Curitiba, Brazil December 2025 – March 2026

Product Manager and B2B Partnerships Lead

- Use Cases and Partnerships: Designed a subscription value proposition and validated the model with B2B partners, securing relevant local venues for the pilot.
- Ecosystem Insights: Interviews and funnel analysis identified partner density and API latency as critical adoption and conversion barriers.

AK Branding & Web Design, Curitiba, Brazil March 2019 – September 2024

Marketing Project and Client Consultant

- Consultative Delivery: Delivered 40+ projects for SMBs, translating business objectives into scopes, narratives, digital experiences, and deliverables with timeline and budget control.
- Adoption and Conversion: Implemented UX and chatbot flows that increased lead capture from 8 to 20-30 contacts/month (+250%).

Munzner, Curitiba, Brazil October 2018 – August 2024

Marketing, Growth, and Facilitation Specialist

- Content and Use Cases: Turned the Thinking Environment methodology into narratives, technical content, and campaigns that generated approximately 100 qualified inbound leads.
- Launch and Automation: Launched the first digital course and built an automated funnel that generated approximately R\$50,000 in revenue.
