Professional Summary

Senior Professional specializing in B2B Go-To-Market (GTM) strategy, Growth Marketing, and AI-driven workflow automation with over 8 years of experience. As Co-Founder and GTM Lead at Meu Barzin, defined ideal customer profiles (ICP), mapped target segments, closed commercial contracts, and engineered agentic workflows (n8n, Supabase) to automate outreach and operations. At Wipro (Meta Project), governed high-scale training bootcamps under strict PMO guidelines and collaborated with global stakeholders to replicate GTM updates. Expert in digital demand generation, outbound marketing, pipeline development, and copywriting, with a strong AI-first mindset and operational discipline.

Professional Experience

Product Marketing / GTM Specialist (Meta Project) | Wipro Brasil

September 2024 – July 2026

Curitiba, Brazil

- GTM Playbooks & Operations: Synthesized and managed global advertising GTM updates, policy revisions, and product launches for Meta, converting complex guidelines into actionable commercial playbooks for sales enablement.
- Enablement Program Governance: Governed the Next Level Bootcamp program under strict PMO guidelines, managing master schedules, defining success criteria, and driving resource planning to accelerate pipeline readiness for 150+ Meta Pros.
- AI Implementation & Prompt Engineering: Led the deployment of Meta's native AI inside the analyst CRM, delivering feature training, compiling prompt libraries, and coordinating a Meta-sponsored prompting competition to drive adoption.
- Performance Analytics: Partnered with the MIS data team to leverage Power BI and Excel dashboards, tracking adoption rates and pipeline growth to optimize conversion strategies.
- Stakeholder Interface: Managed relationships and recurring strategic alignments with regional and global Meta stakeholders (LATAM and Global) to ensure program success.

Co-Founder & B2B Go-To-Market (GTM) & Growth Lead | Meu Barzin (Startup)

December 2025 – March 2026

Curitiba, Brazil

- ICP & Positioning: Defined target SMB customer segments and ideal customer profiles (ICP), crafting positioning narratives and copywriting materials to pitch and secure initial B2B partnership contracts.
- AI & Automation Workflows: Designed and implemented scalable agentic workflows using n8n and Supabase over a VPS to automate lead generation, outbound cold outreach, and customer communication.
- Lifecycle Ownership: Controlled project lifecycles, budgets, and timelines within a high-agency remote environment, from requirements gathering through deployment.

Founder & Marketing Project Consultant | AK Branding & Web Design

March 2019 – September 2024

Curitiba, PR

- Outbound & Demand Gen: Structured digital demand generation campaigns, optimized high-converting landing pages, and drove SEO roadmaps, aligning user experience with client growth objectives for SMBs.
- Project & Budget Management: Controlled timeline schedules and financial parameters for concurrent marketing accounts, coordinating resource execution to prevent project delays.

Marketing Automation & Campaign Specialist | Munzner

October 2018 – August 2024

Curitiba, PR

- CRM & Pipeline Automation: Integrated Bitrix24 and Sendpulse CRMs via webhooks to automate lead nurturing funnels, enhancing pipeline efficiency and tracking commercial conversion metrics.
- Thought Leadership Copywriting: Crafted high-impact narratives and strategic content templates for brand positioning, applying active listening and Thinking Environment concepts to founder branding.
