Professional Summary

Senior Marketing Specialist with over 8 years of experience driving B2B inbound organic lead generation, conversion rate optimization (CRO), and email campaign management. Proven track record building and iterating high-converting landing pages, running A/B experiments, and writing persuasive copy that aligns with the target audience's pain points. As a startup co-founder (Meu Barzin) and marketing consultant (AK Branding), successfully launched organic growth funnels, optimized digital web assets, and structured CRM-integrated email nurturing pipelines. Combines data-driven analytical skills (Power BI) with strong copywriting to measure marketing performance, scale lead acquisition, and deliver consistent growth.

Professional Experience

Product Marketing / GTM Specialist (Meta Project) | Wipro Brasil September 2024 – July 2026

Curitiba, Brazil

- Performance & CRO Analytics: Partnered with the MIS data team to leverage Power BI and Excel dashboards, analyzing user behavior, tool adoption, and conversion rates to identify performance bottlenecks and optimize customer experiences.
- AI Implementation & Prompt Engineering: Led the deployment of Meta's native AI inside the analyst CRM, delivering feature training, compiling prompt libraries, and coordinating a Meta-sponsored prompting competition to drive adoption.
- Content Positioning: Translated complex GTM updates and product portfolios into clear value propositions, structuring marketing content for sales outreach.

Co-Founder & B2B Go-To-Market (GTM) & Growth Lead | Meu Barzin (Startup) December 2025 – March 2026

Curitiba, Brazil

- Inbound & Lead Acquisition: Led the organic lead generation strategy targeting B2B merchant partners, defining ideal customer profiles (ICP), crafting value propositions, and closing initial commercial contracts.
- Conversational Workflows: Built automated lead capturing and digital outreach funnels (n8n, Supabase), reducing friction in the acquisition journey.

Founder & Marketing Project Consultant | AK Branding & Web Design March 2019 – September 2024

Curitiba, PR

- Landing Page & Page Building: Built, iterated, and optimized B2B landing pages and e-commerce websites (WordPress, Elementor, UX writing), conducting A/B experiments on hero headers, CTAs, button layouts, and conversion paths to maximize organic lead generation.
- Organic Search & SEO: Engineered search engine optimization (SEO) roadmaps and structured content architectures, generating sustainable organic web traffic and B2B inbound leads.
- Project & Budget Management: Controlled timeline schedules and financial parameters for concurrent marketing accounts, coordinating resource execution to prevent project delays.

Marketing Automation & Campaign Specialist | Munzner October 2018 – August 2024

Curitiba, PR

- Email Marketing & CRM: Designed and executed automated email marketing campaigns and lead nurturing tracks between Sendpulse and Bitrix24 CRMs, segmenting audiences and refining copy to increase click-through (CTR) and conversion rates.
- Thought Leadership: Managed executive copywriting and content positioning using the Thinking Environment framework to build high-impact technical narratives.
