Professional Summary

Data-driven Staff Product & Marketing Analyst with over 8 years of experience leading conversion funnel analytics, experimentation (A/B testing), user journey optimization, and data-backed GTM strategies. Proven track record in diagnosing funnel drop-offs, architecting Python/SQL and Supabase data pipelines, automating CRM workflows, and driving high-converting digital product experiences. Combines technical analytics rigor with a deep personal commitment to the HealthTech & Wellness sector (Yoga, Mindfulness, and Clinical Philosophy background), leveraging AI and data intelligence to optimize customer acquisition, retention, and lifetime value.

Professional Experience

Marketing Coordinator / Product Enablement Expert (Meta) | Wipro Brasil September 2024 – July 2026

Curitiba, Brazil

- Product & Marketing Analytics: Partnered with MIS data teams to leverage Power BI & Excel dashboards, analyzing tool adoption curves and consultant performance metrics to optimize GTM sales enablement playbooks.
- Native AI CRM Adoption (+150%): Spearheaded native AI CRM integration across sales workflows, driving daily prompt usage from 4 to 10 prompts/day per consultant (+150%) and earning official recognition from Meta as the #1 global operation for AI adoption growth.
- Enablement Governance & Ramp-up (-50%): Designed and governed the Next Level Bootcamp pilot (12 consultants, 100% completion), reducing new hire time-to-productivity from 6 to 3 months (-50%) with 90%+ audit quality scores and 90% consultant CSAT.

Co-Founder & Product Manager | Meu Barzin (Startup) December 2025 – March 2026

Curitiba, Brazil

- Funnel Drop-Off & Root Cause Analysis: Conducted conversion funnel analytics mapping 505 top-of-funnel leads, identifying a critical 43.9% first-message dropout caused by API latency and merchant supply liquidity barriers.
- Data Architecture & RAG Pipelines: Cleansed and structured 200+ venue records via Web Scraping and Python into a Supabase (PostgreSQL) database hosted on a VPS, powering zero-hallucination conversational AI recommendations.
- User Engagement & CRO: Achieved a 22.3% deep-funnel engagement rate (users interacting 4+ times with AI) and grew organic social reach to 2,000+ followers.

Founder & Product Design Consultant | AK Branding & Web Design March 2019 – September 2024

Curitiba, PR

- CRO & Chatbot Conversions (+250%): Implemented website chatbot interfaces and UX flows that boosted monthly inbound lead capture from 8 to 20-30 contacts/month (+250%) and designed real estate LPs generating 5 qualified leads/day.
- 0-to-1 E-Commerce Revenue: Built a custom e-commerce platform from scratch that achieved R\$ 10,000 in revenue within 3 months operating 100% organically (\$0 ad spend) via strategic Instagram positioning.
- Agency Delivery & LGPD Compliance: Delivered 40+ high-value client projects over 5 years, implementing 100% technical LGPD data privacy frameworks across all client web portals.

Marketing & Growth Specialist | Munzner October 2018 – August 2024

Curitiba, PR

- Automated High-Ticket Email Funnel (~R\$ 50k Revenue): Built an automated 10-stage email nurturing funnel (Bitrix24/Sendpulse) attracting 10,000+ visits and converting ~10 enrollments for R\$ 5,000 in-person masterclasses (~R\$ 50k high-ticket revenue).
- 0-to-1 Infoproduct & Tripwire Strategy: Designed and launched the brand's first digital LMS course (WordPress) as a tripwire offer for the pioneer Thinking Environment methodology, securing 50 sales in 2 months with a 1.0x-1.5x ROI.
