

Kevin Augusto Vieira

Curitiba, PR, Brazil | Remote | +55 (41) 99694-1615 | kevin.aug.vieira@gmail.com | linkedin.com/in/kevin-augusto/

Marketing Operations & Project Manager with 8+ years of experience coordinating campaigns, digital products, and 40+ projects across multiple client accounts. Proven ability to turn client objectives into clear scopes, tasks, timelines, budgets, documentation, and metrics while aligning creative, media, web, and stakeholder teams. At Wipro on the Meta Project, worked with OKRs, roadmap, backlog, reporting, and continuous improvement, leading a program that reduced ramp-up time by 50%. In an agency setting, managed concurrent delivery and built experiences that increased leads by 250%. Combines independent execution, performance analysis, and workflow standardization to create quality and predictability in remote teams.

Professional Experience

AK Branding & Web Design, Curitiba, Brazil | Remote projects

March 2019 –
September 2024

Marketing Operations & Project Manager

- Multi-Client Operations: Delivered 40+ projects for SMBs, coordinating concurrent accounts, scopes, budgets, timelines, specialized resources, and client communication.
- Marketing Workflows: Organized branding, website, landing page, campaign, content, and automation projects from kickoff through delivery while mitigating bottlenecks and priority changes.
- Performance: Planned A/B tests across ads and web experiences; UX and chatbot flows increased lead capture from 8 to 20-30 leads/month (+250%).
- Commercial Results: Built an e-commerce operation that generated R\$10,000 in its first 3 months through organic acquisition.

Wipro, Curitiba, Brazil

September 2024
– July 2026

Marketing Operations and Project Specialist (Meta Project)

- Governance and Prioritization: Worked in a squad using daily meetings, OKRs, roadmap, and backlog to prioritize requests from clients, managers, leaders, and consultants.
- End-to-End Program: Designed and governed a bootcamp for 12 consultants with 100% completion, 90%+ quality, and a 50% reduction in time-to-productivity.
- Reporting: Partnered with MIS to scope and use Power BI and Excel dashboards, turning metrics into reports and action plans for leadership.
- Processes: Applied root cause analysis and created documentation, playbooks, and corrective actions to improve operational consistency.

Munzner, Curitiba, Brazil

October 2018 –
August 2024

Marketing Operations and Growth Specialist

- Campaigns and Launch: Coordinated the first digital product launch, securing 50 sales in 2 months with a 1.0x to 1.5x ROI.
- Automation and Revenue: Built a 10-stage Bitrix24 and Sendpulse funnel that generated approximately R\$50,000, tracking acquisition, conversion, and ROI.

Meu Barzin (Startup), Curitiba, Brazil

December 2025 –
March 2026

Product and Marketing Project Manager

- MVP Delivery: Coordinated a conversational product, a database of nearly 200 establishments, automations, campaigns, and B2B partnerships.
- Funnel Analysis: Captured 505 leads and used interviews and metrics to identify a 43.9% first-message dropout and prioritize improvements.
