Senior RevOps, Marketing Operations, GTM, and AI specialist with 8+ years of experience structuring funnels, CRM workflows, automation, demand generation, and operational intelligence. At Wipro on the Meta Project, led CRM AI adoption, increasing usage by 150%, and translated data, calls, and product updates into playbooks and sales actions. At Meu Barzin, built workflows with n8n, RAG, APIs, and Supabase/PostgreSQL, captured 505 leads, and mapped conversion bottlenecks. Experienced in ICP development, B2B prospecting, MQL-to-SQL metrics, systems integration, and continuous improvement, without claiming prior formal ABM ownership.

Professional Experience

Wipro, Curitiba, Brazil September 2024 – July 2026

RevOps, GTM, and AI Specialist (Meta Project)

- Led native AI activation in Meta's proprietary CRM through onboarding, playbooks, and coaching; increased usage from 4 to 10 prompts/day (+150%) and made the operation #1 globally for adoption growth.
- Led Sales Excellence and Sales Productivity, converting product updates into value propositions, pitches, scripts, and frameworks for 150+ professionals.
- Applied call listening, structured feedback, and root-cause analysis to map bottlenecks, coordinate action plans, and improve sales performance.
- Partnered with MIS to scope and use Power BI and Excel dashboards, interpreting behavior and funnel metrics for operational decisions.

Meu Barzin (Startup), Curitiba, Brazil December 2025 – March 2026

RevOps, Growth, and AI Product Manager

- Designed conversational workflows using ManyChat, n8n, RAG, and APIs connected to a Supabase/PostgreSQL base with cleansed data from nearly 200 establishments.
- Structured ICP and B2B prospecting, securing relevant pilot partnerships and capturing 505 leads through organic and paid media.
- Mapped the funnel and identified insufficient partner density and 43.9% first-message dropout as the primary conversion bottlenecks.

Munzner, Curitiba, Brazil October 2018 – August 2024

Marketing Operations, CRM, and Growth Specialist

- Built a 10-stage automated funnel in Bitrix24 and Sendpulse with 10,000+ visits and approximately R\$50,000 in revenue.
- Tracked channels, CRM data, conversion, revenue, and ROI to guide campaigns, content, and monetization.
- Generated approximately 100 qualified leads through inbound and SEO, achieving about 10% visitor-to-lead conversion.

AK Branding & Web Design, Curitiba, Brazil March 2019 – September 2024

Growth, Automation, and Digital Project Consultant

- Delivered 40+ digital projects connecting positioning, websites, landing pages, campaigns, and lead generation for SMBs.
- Ran A/B tests and implemented chatbots and UX flows that increased lead capture from 8 to 20-30 leads/month (+250%).
